SUMMARY

I'm an aspiring Psychology Honours student at Macquarie University, looking for part time employment alongside classes. I love working with people and have superb communication skills as a result. Additionally, I enjoy working with technology and learning systems applied within work roles. Overall, I'm extremely capable and excited to be your new employee!

I speak fluent English, moderate Chinese and moderate Japanese.

EXPERIENCE

The Hills Shire Council, Norwest - *Work experience for Future Planning*

18 AUGUST 2018 - 23 AUGUST 2018

- Worked with clients who had an issue that needed to be raised to the council.
- Read and compiled information from large documents such as legislations and fire safety manuals in order to make an assessment on a client's issue.

Macquarie Enterprise Challenge, Normanhurst - *Product Developer*

3 DECEMBER 2018 - 7 DECEMBER 2018

- Managed a business, developing a product and pitching said product to potential shareholders in a controlled environment.
- Worked with other company members in conceiving the product, while responding to a market that changed daily.

EUSUNG PTY LTD, Epping - *Assisting Management*

JULY 2020 - PRESENT DAY

- Sequenced routes for Lite n Easy delivery drivers.
- Created formal invoices in spreadsheet programs.

Overseas Community Affairs Council Taiwan - *Teaching Volunteer*

2 JANUARY 2020 - 22 JANUARY 2020

- Completed the 2020 Southern Hemisphere Teaching English Volunteer program in Miaoli

-
- Created an appropriate curriculum per grade to teach primary students in Taiwan to speak English, while also carrying out that curriculum in a practical scenario
